

2025 Property Tax Info

The City of Roswell prides itself on the high level of service we offer our residents while maintaining one of the lowest property tax rates in the Metro Atlanta area. We accomplish this by applying sound financial guidelines and principles in everything we do. Because of this, we are one of only a few cities in the state that holds a AAA bond rating from two rating agencies.

Your 2025 Roswell property tax bill provides you with a description of your property, taxable value, and details regarding how we calculated your tax bill. Roswell receives its assessments from the Fulton County Tax Assessor (see back for more information).

WHAT IS A MILLAGE RATE?

Millage Rate = Property Tax Rate

1 mil is equal to \$1 for every \$1,000 of your property's assessed value.

The assessed value of your property (40% of your fair market value) is multiplied by the millage rate to determine your City tax.

EXAMPLE

With the City of Roswell's 4.949 millage rate, a Roswell homeowner whose property has a fair market value of \$575,000 (assessed value of \$230,000), will pay about \$1,138.27 in property taxes to the City. Those with homestead exemptions would pay even less.

The millage rate includes two components: a Maintenance & Operation (M & O) component and a Debt Service component.

Maintenance & Operation	4.049	4.049	0
Debt Service	0.900	0.900	0

4.049 mils

MAINTENANCE & OPERATION

The **Maintenance & Operations (M & O) component of 4.049** goes toward supporting the **City's General Fund services and programs**, such as Public Safety, Recreation and Parks, Transportation, and services offered by other City departments.

Mayor and Council voted to keep the M & O portion of the property tax rate the same compared to last year (4.049), continuing to provide the lowest M & O rate in more than 16 years.

DEBT SERVICE

The **Debt Service component accounts for 0.900 of the rate** and is applied to the **repayment of voter-approved debt**. This year, the Debt Service rate has stayed the same as last year (0.900). Taxes paid to this component are applied to repayment of the City of Roswell's Bond Program, which was overwhelmingly approved by voters in November 2022. Specifically, property taxes paid this year will be applied to the repayment of the City's first bond issuance of \$86.2 million (approved in May 2023), which includes \$53.1 million for recreation, parks, bicycle and pedestrian paths and sidewalks; \$13.1 million towards public safety (Police and Fire) projects; and \$20 million towards a public parking deck in downtown Roswell.
