Introduction

FY 2025 Budget Book

This introduction section contains information about the City and a list of Elected City Officials.

About the City

From the natural beauty of the Chattahoochee River and more than 1,000 acres of park land, to our rich and storied history and inspiring creative scene, Roswell is the perfect place to call home. We invite you to learn more about your city and to become an active part of the community! The City of Roswell, Georgia was incorporated over 150 years ago in 1854, and is located in northern Fulton County, 20 miles north of the City of Atlanta. The City of Roswell has a land area of 42.02 square miles and has an unparalleled quality of life for its 91,706 residents (per the U.S. Census Bureau, 2023).

Roswell's historical chronology begins around 1830 with founder Roswell King arriving on horseback from Darien, Georgia. On February 16, 1854, the Georgia General Assembly incorporated the City of Roswell. Roswell was a manufacturing village comprised of a cotton factory and later, a woolen mill run with waterpower from Vickery Creek, now known as Big Creek. Homes were large columned structures of the mill owners, smaller homes, and even apartments of the mill employees.

Today, Roswell continues to be a prosperous municipality. The City of Roswell earned an uninsured "AAA" bond rating, the highest possible rating. Fiscally prudent practices contribute to this superior rating and the City's excellent financial strength.

Revenue Analysis

Revenue analysis and trend data is evaluated by City staff early in the budget process and updated through the budget process based on changes.

Revenue Trends for FY 2025

As shown in the tables below, the current year revenues for FY 2025 have been approved at **\$207.2 M** for all funds. This is an **increase of \$15.9 M** from the prior full fiscal year approved budget. Roswell proposes an increase in parking fees, community development fees, fire inspection fees, and one-time utilities.

Detail for Majority of Revenue Categories

The information provided below is on a majority (85.1%) of the total revenue collected by the City of Roswell. On the following charts, information is included for 2 fiscal years of actual and 2 fiscal years of budget for comparison. Click on the charts for additional detail or change the type of chart in the online version.

Charges for Service (External and Internal):

The largest source of revenue for the City in FY 2024 is Charges for Service, which represents **28.0%** of the total revenue budget. Revenue projections are **\$58.0 M** for FY 2025. Charges for Services include sanitation services, impact fees, mandated E-911 fees, storm water utility fees, water billing revenues, indirect costs (internal) and other similar revenue sources.

Revenue projections for Charges for Services are based upon historical actual revenues, current customer numbers, minor rate adjustments, the lingering effects of COVID-19, and economic factors.

Rate increases approved with the FY 2025 Approved Budget include:

Water Fund

- Water capacity fees to align with current market prices
- Water meter fees have increased to align with meter costs by size and type
- Hydrant meter rental fee recovers administrative costs incurred by the Utility
- Newly created bacteria sampling fee has been established at \$200

Transfer Station

- Non-resident user fees, which are now available due to the transfer station capacity expansion in summer 2024
- Fees for construction debris, which can now be processed at new dedicated construction material dumpsters

Parking Fees

- Additional parking meters and improved enforcement of existing and newly metered locations
- Although City Council has not finalized the new parking fees and related policies, the FY 2025 Approved Budget anticipates \$2.2 M in parking charges, up from \$53,000 in the FY 2024 Approved Budget

The approved Recreation Participation Fund charges for service revenue for FY 2025 is \$9.2 M. Beginning in FY 2024, some rental revenues formerly within the Recreation Participation Fund were recognized in the General Fund. The department will continue to develop the best offering of programs for our residents.

Beginning in FY 2024, a new Information Technology Fund was created to track information technology services. This fund has not significantly changed the overall expenses. By consolidating all of information technology, the City expects to increase efficiency and quality.

Sales Taxes:

As the second largest source of revenues in FY 2025 for the City, sales tax represents **24.3%** of the total revenue budget.

Revenue projections are **\$50.2 M** for FY 2025, of which **\$20.0 M** is T-SPLOST revenue. T-SPLOST is a 3/4th penny tax that was approved by voters twice and will be used for transportation projects throughout the City (distributed from Fulton county at a rate of 15.81%).

The FY 2025 General Fund budget for sales tax revenue is approved at **\$30.2 M**, which is a **5.5% decrease** over the LOST revenue received within calendar year 2024. The distribution of local option sales tax (LOST) was negotiated during calendar year 2022 by local lawmakers and the resulting rate for 2025 is 8.0645%, which is down from 8.2057% in 2024. FY 2025 revenue projections for sales tax were based on a projection of consumer spending within Fulton County, the distribution of LOST, and the economic forecasts for the Atlanta, north metro area as suggested by Moody's and the University of Georgia.

Property Taxes:

Property Taxes are the third largest source of revenue for the City, representing **20.5%** of the total revenue budget. Revenue projections for FY 2025 total **\$42.4 M** which is an increase of **\$9.4 M** from the FY 2024 Approved Budget.

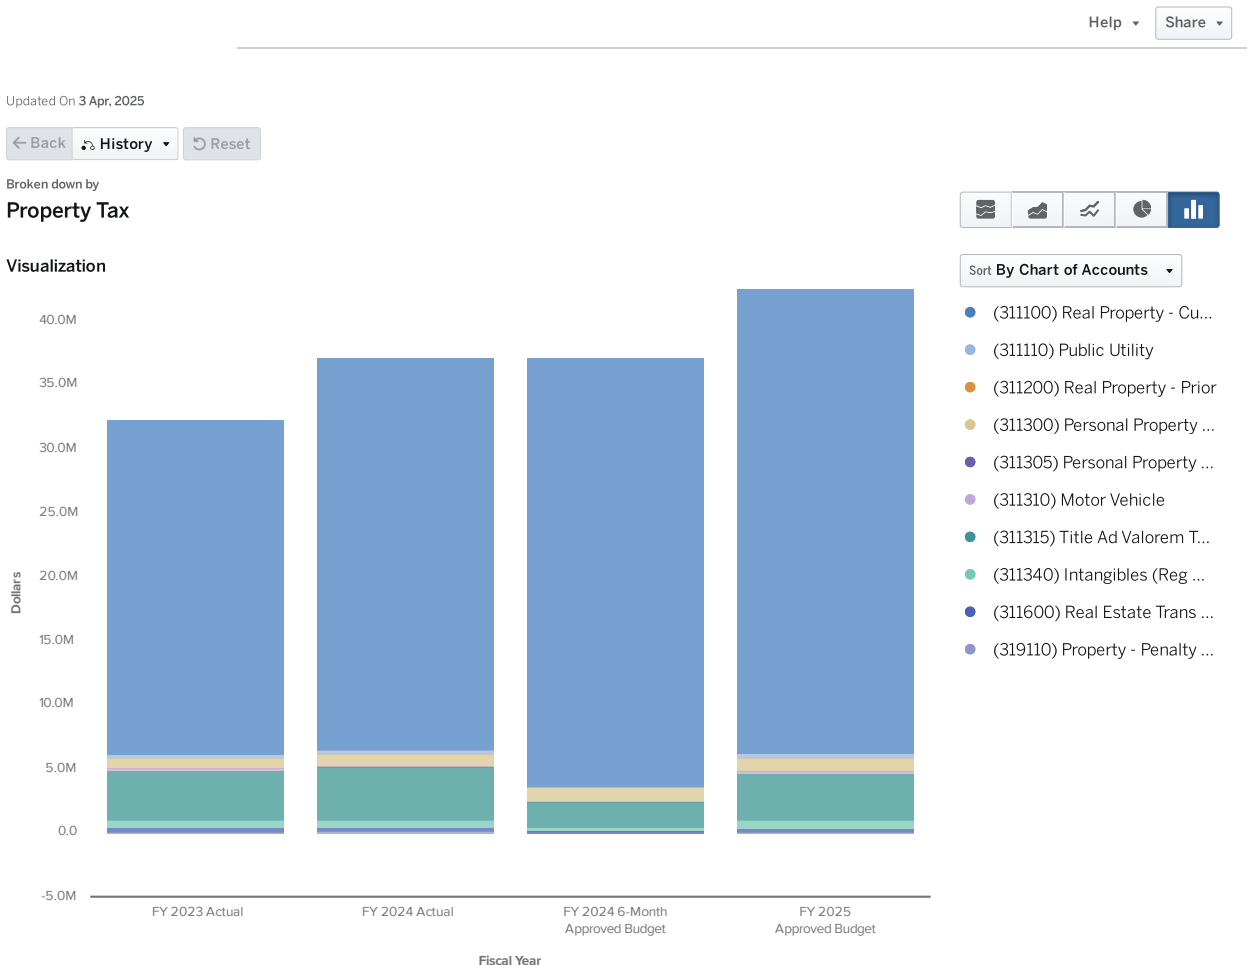

The City determines the local millage rate and the property digest values are set by the Fulton County Tax Assessor. FY 2025 property tax revenue projections are initially based upon an estimated digest. The City of Roswell website has additional information on [Property Taxes](https://www.roswellgov.com/government/departments/finance/property-taxes) (<https://www.roswellgov.com/government/departments/finance/property-taxes>).

The approved millage rate for FY 2024 6-Month was 4.049 mills, with a component of 4.049 for maintenance and operations and 0.900 mills for servicing bonded indebtedness.

The FY 2025 millage rate will be reviewed and set after the digest is received from Fulton County. The approved budget includes an estimate of property tax revenues for FY 2025 based upon current millage rate of 4.949 mills.

In November 2024, a new Tax Allocation District (TAD) was approved by Roswell Mayor and Council to be submitted to Fulton County for consideration. The impact of this TAD has not been considered within the FY 2025 Approved Budget.

Business Taxes:

The fourth largest source of revenue for the City is Franchise, Alcohol, Business/Insurance Taxes, which represent 12.4% of the total revenue budget. Revenue projections are \$25.7M for FY 2025, which is an increase of \$937.4 K from the FY 2024 Approved Budget.

From the FY 2024 Approved Budget, insurance premium tax has increased in FY 2025 by \$949.6 k or 12.3%. Additionally, electric franchise taxes increased by \$370.2 k or 9.3%.

All other revenue projections for Franchise, Alcohol, Business/Insurance Taxes are based upon historical trends of the various revenue accounts within the category. The other increases in projected revenues for FY 2024 is primarily attributable to the Hotel/Motel revenue and excise taxes.

Business Taxes by Account

Licenses and Permits:

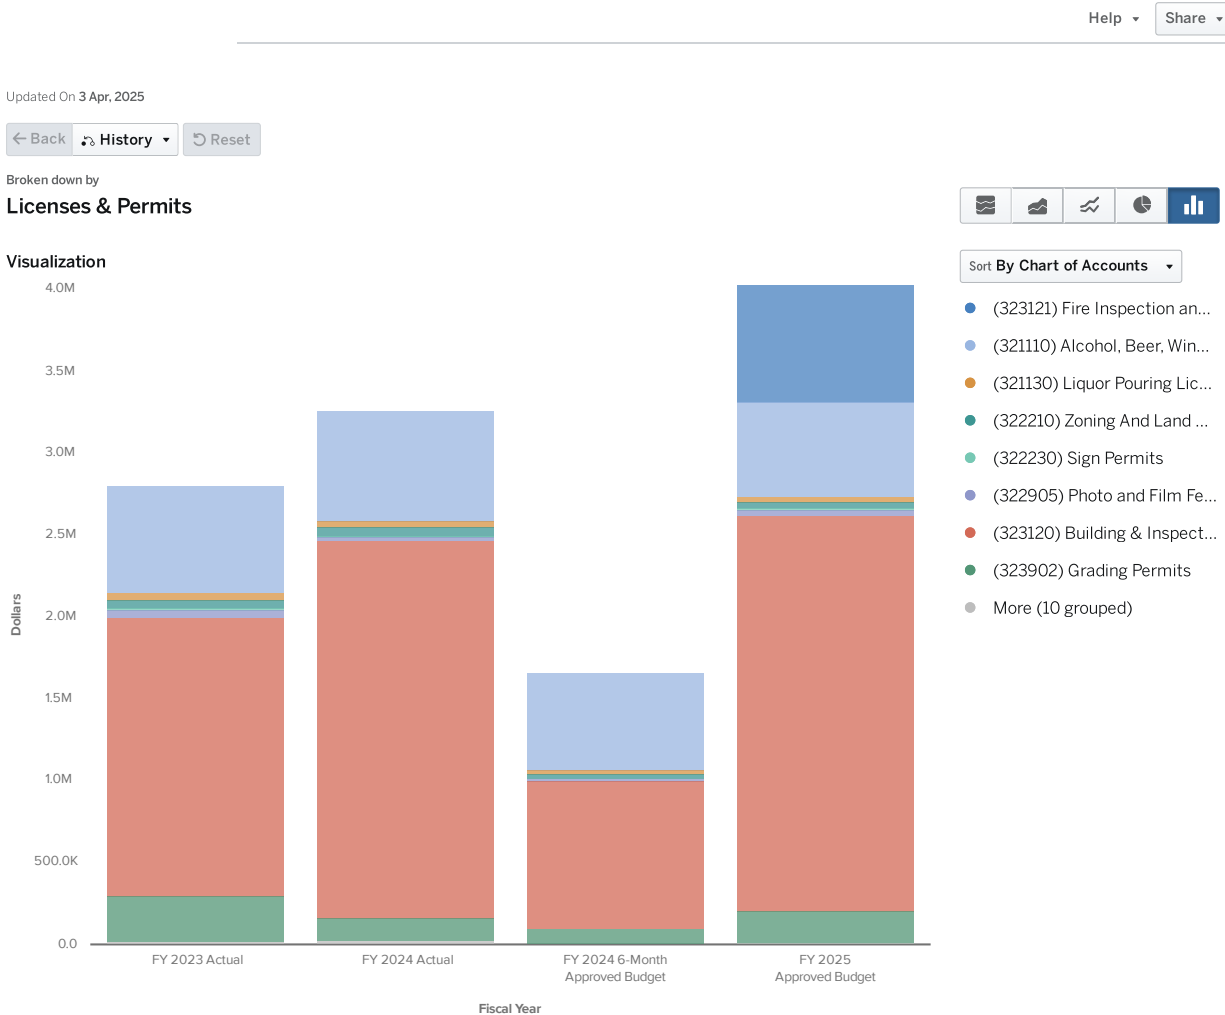

While Licenses and Permits is not one of the major revenue categories for the City, it has seen a significant amount of change within the FY 2025 Approved Budget. Overall, this category increased to \$4.0 M for FY25 from \$2.8 M in the Approved Budget for FY 2024. This increase of \$1.2 M is a result of increases to community development, building inspection, and fire inspection permits.

For community development permit fees, most increases in permit fees focused on re-inspection fees implementation in order to responsibly account for City costs per permit and plan review. Building inspections increased significantly across all types of structures.

Prior to FY 2025, the City of Roswell had almost no permit fees related to fire inspections, Fire Department, or Fire Marshal services. The new fees were created using benchmarks from neighboring cities' fees and offsetting associated costs for services.

For more information about the new community development and fire fees, go to the City of Roswell website (http://roswellcityga.iqm2.com/Citizens/Detail_Meeting.aspx?ID=3288) to access the City Council meeting agenda or video recording from December 9, 2024.

Leita Thompson Fund

The Leita Thompson Fund is utilized to account for revenues and expenditures associated with the apartments located on the donated 107 acres of property known as the Leita Thompson property. In accordance with an agreement between the City of Roswell and the Leitalift Foundation for the acceptance of the donated land and its assets in May 2001, the City provides a safe, clean, and comfortable quality of lifestyle for the elderly retired residents who live in the apartments on the property for a period of five years. While the City continues to operate the rental property, the obligation has ended.

Roswell... Yesterday and Today

The City of Roswell, Georgia was incorporated over 150 years ago in 1854, and is located in northern Fulton County, 20 miles north of the City of Atlanta. The City of Roswell has a land area of 42.02 square miles and has an unparalleled quality of life for its 92,532 residents (based on annual comprehensive financial report 2023).

Roswell's historical chronology begins around 1830 with founder Roswell King arriving on horseback from Darien, Georgia. On February 16, 1854, the Georgia General Assembly incorporated the City of Roswell. Roswell was a manufacturing village comprised of a cotton factory and later, a woolen mill run with waterpower from Vickery Creek, now known as Big Creek. Homes were large columned structures of the mill owners, smaller homes, and even apartments of the mill employees. Roswell was to be affected by the Civil War early in July, 1864.

Brigadier General Kenner Garrard's cavalry corps occupied the town. General Garrard and troops destroyed the factories and mills by fire, at General Sherman's order. General Garrard arrested the owners and employees for treason, and sent women and children north. Roswell's prominent families sought refuge in other parts of Georgia. The Presbyterian Church was used as a hospital. Barrington Hall and Great Oaks were used as headquarters, and Holly Hill as a garrison. The occupation of Roswell by thousands of troops is why so much of the original Roswell survived the war. After the war and the return of Roswell's leaders, the Roswell Manufacturing Company was rebuilt, and prospered until 1892. The major buildings were destroyed by lightning and never rebuilt. The ruins remain to remind us of what the town was like when incorporated in 1854. In the Historic District, many of the old homes remain from the hardworking village supported by an economy based on textiles.

Today, Roswell continues to be a prosperous municipality. The City of Roswell earned an uninsured "AAA" bond rating, the highest possible rating. Fiscally prudent practices on behalf of the elected officials and the city administration contribute to this superior rating and the City's excellent financial strength.

As of July 1, 2023, based on the annual comprehensive financial report 2023, the estimated population of Roswell, Georgia was 92,532 with a per capita income of \$55,638.

In Roswell 94.8% of the population has a high school degree or above with 64.8% having obtained a college degree. 71.2% of residents own their own home, and the median value of those homes is \$520,500 (U.S. Census Bureau).

Roswell is nestled beneath a canopy of trees alongside the Chattahoochee River. The City is rich in heritage and preserves its past with a 640-acre Historic District. The Historic District has adopted a trend toward "new urbanism" where pedestrians are encouraged to get out of their cars to stroll along brick-paved, tree-lined sidewalks. Tourists and day visitors, drawn to Roswell's many historical homes and churches, often stay to shop in a number of popular restaurants, trendy art galleries, shops, and offices. The City's four historic house museums, Barrington Hall, Bulloch Hall, Smith Plantation, and Mimosa Hall host thousands of visitors annually through the numerous tours and special events offered throughout the year. According to a Georgia Tech revenue model, tourism, and tourism-related activities bring in excess of \$76 million annually to the Roswell community.

City of Roswell essential services meet the highest customer service standards, and the Mayor and Council are committed to maintaining a high quality of life for Roswell’s citizens.

The City of Roswell provides a full range of services to its citizens. These services include police and fire protection; public works; court system; detention facility; the construction and maintenance of recreational pathways, streets, and infrastructure; solid waste collection and recycling; planning and zoning; building inspections; recreation activities and cultural events; water and storm water management; and inherent administrative and support activities. The City also operates a website, citizen engagement, and broadcasts a YouTube channel.

The Fulton County Board of Education provides public education for all of Fulton County, including Roswell. Within Roswell city limits there are 9 elementary schools, 3 middle schools, 2 high schools, and 13 private schools.

Cultural facilities include Roswell’s Cultural Arts Center and many historic properties including Barrington Hall, Bulloch Hall, Smith Plantation, Mimosa Hall, and Holly Hill. Roswell is served by the Atlanta-Fulton County Library System.

City Organization

The City operates under a charter adopted in 1854 and revised on April 19, 2000, which provides for a Mayor-Council form of government with a city administrator. The Mayor and six council members are part-time employees. Each Council member is elected by the entire City and serves “at large” with post assignments. An election for one half of the council occurs every two years. While all six Council Members are elected at large, all must reside within the City of Roswell. The Mayor is elected to a term of four years to serve on a part-time basis. It is the duty of the Council members, in general, to set policy, set millage rates, to approve budgets, to pass ordinances, and to hear and act on requests for rezoning and annexation. The Chief Administrative and Operational Officer of the City is the City Administrator, who is appointed by the City of Roswell Mayor and

Council to implement Council policies, oversee the daily activities of the City, and supervise the City's department heads.

Local Economic Conditions and Outlook

The City of Roswell has earned an "AAA" bond rating, the highest possible rating, consistently each year since 2000. The City is also a great place to do business. New business starts continue to increase in Roswell, with the largest increase in the home-based business sector. Given Roswell's access to GA 400 and proximity to Perimeter Center, Buckhead, Midtown, and Downtown Atlanta, the City is well situated to capitalize on future expansion and relocation.

The City's population has increased approximately twelve percent in the last ten years. Historically, large population growth would likely result in further sprawl with the expansion of residential neighborhoods and chain-filled shopping centers. Now, however, local municipalities are looking inward and taking stock of their resources. They are reinvesting in current properties and implementing creative new zoning practices that will improve the quality of life within. Roswell's UDC, or Unified Development Code, is an invaluable tool in the City's redevelopment efforts. It allows for mixed-use zoning and simplifies the processes that have hindered new businesses in the past.

The aging shopping centers of the 80's and 90's are being converted into office, retail and even residential spaces that allow residents to live, work, and play within a walkable area. These new live-work-play developments within the City combine restaurants, retail and office space, and residential units. One example is a mixed use development located steps from Roswell's City Hall and Canton Street called Southern Post. The former Roswell Plaza located on Alpharetta Highway between Norcross and Fraser Street now contains retail space, loft style and open concept office space, apartments, and townhomes. Southern Post's opening ribbon cutting ceremony occurred on October 24, 2024.

Tax Collection Procedures

The City of Roswell levies and collects ad valorem taxes. Real and personal taxes are generally billed in October of each year and are due in December. The City's tax collection rate has averaged 98.0% over the last five years. The chart below details the top ten principal property tax payers for FY 2023 and FY 2014 for comparison.

2.

Any increase or decrease in appropriations or revenue of any fund or for any department; the establishment of new capital projects; or the establishment of new grant projects other than those exceptions provided for herein, shall require approval of Mayor and City Council. The City Administrator or his/her designee may transfer within a department and fund or amend the budget to decrease appropriations for any completed capital or grant project to effectuate the close-out of the respective project. The City Administrator or his/her designee may also amend the budget to increase or decrease appropriations for the sole purpose of appropriately recording assets based upon generally accepted accounting principals. The City Administrator or his/her designee may amend the budget to increase or decrease appropriations to account for grants that have been formally accepted by Mayor and Council.

3.

A millage rate of 4.949 mills is estimated as part of the proposed budget. The millage rate has a component of 4.049 mills for the general fund budget, and a component of 0.900 mills for servicing bonded indebtedness. The millage rate shall be adopted by Mayor and Council at a later date but prior to the issuance of tax bills for Tax Year 2025.

4.

This budget fixes the number of budgeted full-time positions of the City at 737. This number may only be increased or decreased through approval of the Mayor and City Council. The City Administrator or his/her designee is authorized to create policies and procedures for the pay grade, classification, and/or cost center assignment for employees, which may be changed throughout the year.

5.

The City Administrator or his/her designee is authorized to re-distribute funds reserved for contingency included in the FY 2025 budget to the various departments as necessary.

6.

Mayor and Council adopt a Capital Improvement Programming for Fiscal Year 2025 as attached hereto and incorporated herein as Attachment "B." This programming does not indicate any promise of appropriations for future years or unfunded projects.

7.

Mayor and Council further approve the re-appropriation into Fiscal Year 2025 of current fiscal year unspent funding in the General Fund in order to establish a General Fund Fuel and Utility Contingency in an amount not to exceed \$250,000. The City Administrator or his/her designee is authorized to distribute funds reserved for the fuel or utility contingency to the various departments as necessary.

8.

Mayor and Council further approve the re-appropriation into Fiscal Year 2025 of current fiscal year unspent funding in the General Fund in order to establish a General Fund Grant Match Contingency in an amount not to exceed \$250,000.

9.

Mayor and Council further approve the re-appropriation of all approved capital projects, grant revenue, grant funding, as well as contingency funding, that is unspent or uncollected and available as of December 31, 2024.

10.

Mayor and Council further approve the re-appropriation into Fiscal Year 2025 of current fiscal year unspent funding for the City Administrator professional services, unspent funding for the Employee Wellness Program, unspent funding for the City's Education Assistance Program, unspent funding for Roswell University, unspent funding for the Police School Zone Safety Project, unspent funding for Legal services, and unspent funding for the Election.

11.

Mayor and Council further approve the appropriation into Fiscal Year 2025 of the audited balance of funding available in the Confiscated Assets Fund.

12.

The City Administrator and his/her designee may promulgate all necessary internal rules, regulations, and policies to ensure that this Budget Ordinance is followed.

The above Ordinance was read and approved by the Mayor and Council of the City of Roswell, Georgia on the 18th day of November and the 9th day of December, 2024.

The following is an abbreviated list of the specialized governmental budgeting and accounting terms used in this budget:

ACCOUNT NUMBER – A line item code defining an appropriation.

ACCRUAL ACCOUNTING – A basis of accounting in which revenues are recognized in the accounting period in which they are earned, and expenses are recognized in the period in which they occur.

AD VALOREM TAXES – Commonly referred to as property taxes, are levied on both real and personal property according to the property's valuation and the tax rate.

AMERICAN RESCUE PLAN ACT of 2021 – This bill provided additional relief to address the continued impact of COVID-19 (i.e., coronavirus disease 2019) on the economy, public health, state and local governments, individuals, and businesses.

AMORTIZATION – The reduction of debt by regular payments of principal and interest sufficient to retire the debt by maturity.

ANNUAL COMPREHENSIVE FINANCIAL REPORT – The report that summarizes financial data for the previous fiscal year in a standardized format.

APPROPRIATION – A legal authorization granted by a legislative body to make expenditures and to incur obligations for specific purposes. An appropriation is usually limited in amount and as to the time when it may be expended.

ASSESSED VALUATION – A valuation set upon real estate or other property by a government as a basis for levying taxes.

ASSET – Resources owned or held by a government, which has monetary value.

BALANCED BUDGET – A budget in which revenues and planned use of fund balance meets or exceeds planned expenditures.

BASE BUDGET – The on-going expense for personnel, operating services, supplies, and equipment to maintain service levels.

BASIS OF ACCOUNTING – A system used by an individual government to determine when revenues have been realized and when expenditures have been incurred. The City uses the modified accrual method.

BASIS OF BUDGETING – A system used by an individual government to determine when budgetary revenues have been realized and when budgetary expenditures have been incurred. The City uses the modified accrual method.

BOND – A written promise to pay a specified sum of money, called the par value or principal, at a specified date or dates in the future, together with periodic interest at a specified rate.

BONDED DEBT – That portion of indebtedness represented by outstanding bonds.

BUDGET – A service plan for a given period embodying estimated expenditures for providing services and the approved means of financing them. A balanced budget limits expenditures to available resources.

BUDGET AMENDMENT – A revision of the adopted budget that, when approved, replaces the original provision and increases or decreases the budget appropriation.

BUDGET CALENDAR – The schedule of key dates that a government follows in preparation and adoption of the budget.

BUDGET ORDINANCE – The governmental action which appropriates revenues and fund balances for specified purposes, functions, or activities for a budget period.

BUDGET PERIOD – The period for which a budget is approved or a budget ordinance is adopted. Normally coincides with the fiscal year.

BUDGET TRANSFER – A procedure utilized by City Departments to revise budget appropriations within the departmental operating budget accounts. Transfers monies from one account to another and does not increase or decrease the overall budget appropriation for the department.

BUDGETARY CONTROL – The control or management of a government or enterprise in accordance with an approved budget for the purpose of keeping expenditures within the limitations of available appropriations and available revenues.

CAPITAL ASSETS – Assets of significant value and having a useful life of several years. Capital assets for the City of Roswell have a purchase cost of \$5,000.00 or over and have a useful life of more than one year. See also Fixed Assets.

CAPITAL IMPROVEMENT PROGRAM (CIP) – A comprehensive five year plan, updated annually, of Capital projects for the City. Project costs, funding sources and future fiscal year funding needs are identified.

CAPITAL OUTLAY – Expenditures for the acquisition of capital assets.

CAPITAL PROJECT – A project that results in the purchase or construction of capital assets. Capital projects may encompass the purchase of land, construction of a building or facility, or purchase of a major piece of equipment.

CAPITAL PROJECTS FUND – A fund used to account for financial resources to be used for the acquisition or construction of major capital facilities other than those financed by resources from enterprise fund activities.

CHART OF ACCOUNTS – A numbering system that assigns a unique number to each type of transaction and to each budgetary unit in the organization. The City of Roswell utilizes the Uniform Chart of Accounts for Local Governments in Georgia as mandated by the Georgia Department of Community Affairs (DCA).

COMMUNITY DEVELOPMENT BLOCK GRANT (CDBG) – U. S. Department of Housing and Urban Development (HUD) program where grants are awarded to entitlement community grantees to carry out a wide range of community development activities directed toward revitalizing neighborhoods, economic development, and providing improved community facilities and services. Grantees must give maximum feasible priority to activities which benefit low and moderate income persons, or where community development needs have a particular urgency because existing conditions pose a serious and immediate threat

to the health or welfare of the community, and where other financial resources are not available to meet such needs

CONTINGENCY – Those funds included in the budget for the purpose of providing a means to cover unexpected costs during the budget year.

COST CENTER – An organizational budget/operating unit within each City department.

DEBT – An obligation resulting from the borrowing of money or from the purchase of goods and services over a period of time. Debts of government include bonds, time warrants, notes, and floating debts.

A. General Obligation Debt is secured by the pledge of the issuer's full faith, credit, and taxing power.

B. Revenue Debt is a bond, debt, or obligation for which principal and interest are payable exclusively for the earnings of a government enterprise. This term can refer more broadly to any state or local government debt that is not a general obligation.

DEBT LIMIT – The maximum amounts of gross or net debt that is legally outstanding debt.

DEBT SERVICE – Payment of principal and interest to lenders or creditors on outstanding debt.

DEBT SERVICE FUND – A fund that is used to account for the accumulation of resources for the payment of general long-term debt principal and interest.

DEFICIT – The excess of an entity's liabilities over its assets or the excess of expenditures or expenses over revenues during a single accounting period.

DEPRECIATION – Expiration in the service life of capital assets attributable to wear and tear, deterioration, action of the physical elements, inadequacy or obsolescence.

EFFECTIVENESS – Depicts the degree to which performance objectives are being achieved or otherwise reflects the quality of local government performance.

EFFICIENCY – Reflects the relationship between work performed and the resources required performing it. Compares outputs to input.

ENCUMBRANCE – The commitment of appropriated funds to purchase an item or service. To encumber funds means to set aside or commit funds for a future expenditure.

ENTERPRISE FUND – Enterprise Funds are used to account for operations that are financed and operated in a manner similar to private business enterprise where the intent of the governing body is that the cost of providing goods or services to the general public on a continuing basis be financed primarily through user charges. Services accounted for in enterprise funds are tangible, and it is possible to determine the extent to which they benefit individual service consumers.

EXPENDITURES – Decreases in net financial resources. Expenditures include current operating expenses, which require the current or future use of net current assets, debt service, and capital outlays.

EXPENSES – Decreases in net total assets. Expenses represent the total cost of operations during a period regardless of the timing of related expenditures.

FIDUCIARY FUND – Those trust and agency funds used to account for assets held by a local government in a trustee capacity or as an agent for individuals, private organizations, other governmental units, or other funds.

FINANCIAL INDICATORS – Comparison of planned vs. actual expenditures, cost, obligations, receipts, allocations or losses.

FISCAL YEAR – The accounting period for which an organization’s budget is termed the fiscal year. In Roswell, the fiscal year runs from July 1 to June 30 of the following year.

FIXED ASSETS – Assets owned by the City with a purchase cost of less than \$5,000.00 each and usually have a useful life of one to three years. See also Capital Assets.

FUND – A fund is an independent financial and accounting entity. It has a balanced set of accounts and records, cash and other resources together with all related liabilities and residual equities or balances which are segregated for the purpose of carrying on specific activities or attaining certain objectives in accordance with special regulations, restrictions or limitations. Though funds are independent entities with the financial records of a government, there need not be physical segregation of assets.

FUND ACCOUNTS – All accounts necessary to set forth the financial position and results of operations of a fund.

FUND BALANCE – The excess of a fund’s revenues and other financing sources (assets) over the expenditures/expenses and other uses (liabilities).

GENERAL FUND – This fund accounts for the revenues and activities not required by law or administrative decision to be accounted for in a special fund. Ordinarily, the General Fund has a great variety of revenues and is used to finance many more activities than any other fund. The General Fund provides general-purpose governmental services.

GENERAL OBLIGATION (GO) BONDS – Bonds that are secured by the issuer’s full faith and credit pledge. Most GO bonds are backed by the issuer’s ability to level an ad valorem tax in an amount sufficient to meet debt service requirements.

GENERAL REVENUE – The revenue of a government other than those derived from and retained in an enterprise. If a portion of the net income in a Proprietary or Enterprise Fund is contributed to another non-enterprise fund, such as the General Fund, the amount transferred constitutes general revenue to the government.

GENERALLY ACCEPTED ACCOUNTING PRINCIPLES (GAAP) – Uniform minimum, standards used by state and local governments for financial accounting, recording, and reporting, encompassing the conventions, rules, and procedures that define accepted accounting principles; established by the Governmental Accounting Standards Board (GASB) created in 1987 to provide property and liability

GOVERNMENTAL ACCOUNTING STANDARDS BOARD (GASB) – The body that sets accounting standards specifically for governmental entities at the state and local level.

GEORGIA INTERLOCAL RISK MANAGEMENT AGENCY (GIRMA) – Intergovernmental risk sharing fund created in 1987 to provide property and liability coverage to local government entities in Georgia. GIRMA is administered by GMA.

GEORGIA MUNICIPAL ASSOCIATION (GMA) – Organization representing municipal governments in Georgia.

GOVERNMENTAL ACCOUNTING STANDARDS BOARD (GASB) – The body that sets accounting standards specifically for governmental entities at the state and local level.

GOVERNMENTAL FINANCE OFFICERS ASSOCIATION (GFOA) – Professional association of state/provincial and local finance officers in the United States and Canada dedicated to the sound management of government financial resources.

GRANTS – A financial gift, donation or award that is made from a funding source, usually a governmental entity, to the City for the acquisition of goods, services or land. The grant award agreement defines the City's responsibilities and duties to be exchanged for the grant. Grants are often earmarked for a specific purpose of program.

INDIRECT COSTS – A cost necessary for the functioning of the organization as a whole, but which cannot be directly assigned, such as administrative support, information technology, human resources, budget and purchasing.

INTERNAL SERVICE FUNDS – A fund used to account for the financing of goods or services provided by one department to other departments within the City on a cost-reimbursement basis.

INVESTMENTS – Securities and real estate held for production of revenue in the form of interest, dividend, rentals or lease payments. The term does not include fixed assets used in governmental operations.

LEVY – To impose taxes, special assessments or service charges for the support of governmental activities.

LINE-ITEM BUDGET – A budget format in which departmental outlays are grouped according to the items that will be purchased, with one item or group of items on each line.

LONG-TERM DEBT – Debt with a maturity of more than one year after the date of issuance.

MILLAGE RATE – The rate used in calculating taxes based upon the value of property, expressed in mills per dollar of property value.

MISSION – The reason or purpose for the organizational unit's existence.

MODIFIED ACCRUAL – An accounting standard, means recognizing revenues as they become available and measurable and recognizing expenditures when liabilities are incurred.

NET INCOME – Enterprise Fund in excess of operating revenues, non-operating revenues, and operating transfers-in over operating expenses, non-operating transfers-out.

OBJECTIVES – The specified end result expected and can include the time at which it will be achieved.

OPERATING EXPENSES – Enterprise Fund expenses that are directly related to the fund's primary service activities.

OPERATING INCOME – The excess of Enterprise Fund operating revenues over operating expenses.

OPERATING REVENUES – Enterprise Fund revenues that are directly related to the fund's primary service activities. They consist of user charges for services.

PROPRIETARY FUND – Used to account for a government's ongoing organizations and activities that are similar to those often found in the private sector (enterprise and internal service funds). All assets, liabilities, equities, revenues, expenses, and transfers relating to the government's business and quasi-business activities, where net income and capital maintenance are measured, are accounted for through proprietary funds.

QUARTILE – Term used in Priority Based Budgeting to group programs based on their relevance to the City's Goals.

REVENUES – Increases in governmental fund type net current assets from other than expenditure refunds and residual equity transfers.

SINKING FUND – Schedule of annual payments required on General Obligation Bonds Payable. Principal and interest are payable from an ad valorem tax upon all property of the City.

SPECIAL REVENUE – A fund used to account for revenues earmarked for a particular purpose.

TAX DIGEST – The total assessed value of all real estate property, motor vehicles, mobile homes, timber, and heavy-duty equipment in the city of Roswell, Georgia.

TAX RATE LIMIT – The maximum rate at which a government may levy a tax. Overall tax rate limits usually restrict levies for all purposes and of all governments, state or local, having jurisdiction in a given area. Taxes are levied via a Tax Levy Ordinance.

TAXES – Compulsory charges levied by a government for the purpose of financing services performed for a common benefit. This term does not include specific charges made against particular persons or property for current or permanent benefits such as special assessments.

TIMELINESS OF PRODUCT OR SERVICE – Measures of timeliness, which may be based on specific standards or past trends.

UNIFORM CHART OF ACCOUNTS – State mandated financial reporting format for governments. See “Chart of Accounts”.
