

# SUMMER

2025  
CAMP GUIDE

**REGISTRATION  
BEGINS MARCH 3**  
[Register.RoswellGov.com](https://Register.RoswellGov.com)

RECREATION, PARKS, HISTORIC & CULTURAL AFFAIRS DEPARTMENT

# Welcome!

Summer is just around the corner, and that means it's time for another incredible season of adventure at Roswell's Summer Camps! As a father, I know how important it is to give kids opportunities to explore, grow, and create lasting memories. That's exactly what our camps are all about—whether it's discovering the great outdoors, trying out a new sport, or unleashing their creativity, there's something here for every child.

Beyond our summer camps, we're making major investments in the future of our parks and recreation. Thanks to the overwhelming support of Roswell voters, we're delivering on our promise to enhance our parks, trails, and community spaces. With our \$107.6 million bond, we're transforming bike and pedestrian paths, improving sidewalks, upgrading artificial turf fields in our parks throughout the city, and bringing the **Riverside Parks Master Plan** to life. We've already completed **Ace Sand Phase I**, the first project from this plan, and there's so much more ahead!

One of the biggest milestones this year is the acquisition of the **20-acre Crabapple Middle School property**. This incredible space will allow us to expand recreational programming, and for the first time ever, we're hosting summer camps there—giving our kids even more room to learn, play, and thrive.

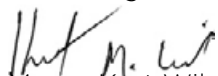

We're also kicking off exciting projects across the city, including improvements at **East Roswell Park**. Construction is set to begin soon, bringing:

- A new dog park with improved parking
- Driveway and parking lot enhancements at the Art Center
- Expanded trail connectivity
- ADA accessibility improvements
- A brand-new playground
- Stormwater management improvements

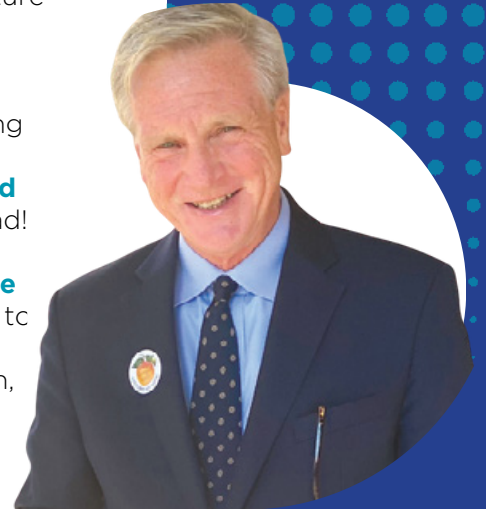

We're also celebrating the completion of another transformative project—the **newly renovated Big Creek Greenway boardwalk**, which is now fully open for the community to enjoy. Additionally, we're proud to unveil **Multi-Sport Field #1 at Roswell Area Park**, the third upgraded turf field at the park designed to maximize durability, safety, and aesthetics over the next decade.

Every project we complete moves us closer to our vision of making Roswell the #1 Family Community in America. I hope you and your family take full advantage of these incredible opportunities. Whether it's through summer camps, new parks, or exciting community spaces, Roswell is a place where lifelong memories are made. Let's make this a summer to remember!

Warm regards,

Mayor Kurt Wilson  
City of Roswell

MAYOR'S LETTER

## Hello Roswell!

Summer is always my favorite time of year. It brings me great joy to see our parks come alive with vibrant activity, laughter, and a sense of community that makes Roswell such a special place to call home. Whether it's families exploring our trails, children diving into summer camps, or neighbors gathering at our events, the energy of summer is truly unmatched.

This year, I'm particularly excited to share some fantastic news: we've implemented a new registration system! This system is designed to make signing up for your favorite programs smoother, faster, and more convenient than ever before. We're confident this change will enhance your experience and allow you to focus on what matters most—enjoying all that Roswell Recreation, Parks, Historic and Cultural Affairs Department has to offer.

Behind the scenes, our dedicated team has been working tirelessly to create a wonderful slate of engaging programs designed to bring the community together, inspire fun, and create lasting memories. Their dedication over the past several months has been remarkable, and I couldn't be prouder of their efforts to ensure an unforgettable summer for all.

Of course, none of this would be possible without the incredible support of our community. Your passion for our parks and programs inspires us every day and fuels our commitment to delivering exceptional experiences. Additionally, I want to extend my heartfelt gratitude to our Mayor and Council, whose unwavering support empowers us to create opportunities that enrich the lives of our residents.

On behalf of the entire Roswell Recreation, Parks, Historic & Cultural Affairs team, thank you for continuing to make our parks and programs such a vital part of our city. Here's to a summer filled with adventure, connection, and countless memorable moments.

Warm regards,

Steven Malone  
Director, Roswell Recreation, Parks, Historic & Cultural Affairs

# Registration Information

## Upcoming Open Dates

### Summer Camp & Outdoor Aquatics

Residents — March 3, 2025 at 9:00 a.m.

Non-Residents — March 17, 2025 at 9:00 a.m.

### Summer Programs, Racquet Sports, & Fall Team Sports

Residents — March 10, 2025 at 9:00 a.m.

Non-Residents — March 17, 2025 at 9:00 a.m.

## 2 Ways to Register

### ONLINE REGISTRATION

Registering for summer camp online is the fastest and most convenient way to secure your spot! Simply visit **register.roswellgov.com** and browse our wide variety of camps designed for all ages and interests. **New to our system?** Be sure to **create an account before registering** for camps, programs and activities. Online registration fills quickly—so be sure to register and log in early.

### IN-PERSON REGISTRATION

Prefer to register in person? Visit Roswell City Hall at 38 Hill Street, Suite 100, Roswell, GA 30075, Monday through Friday from 8 AM to 5 PM. On the first day of registration (see dates above), numbered tickets will be distributed starting at 8 AM, with registration beginning at 9 AM. Please bring proof of residency if applicable and have your preferred camp selections ready.

## Add Your Wishlist

Mark your favorite camps, programs, activities before registration begins!

- **Log In** – Visit [register.roswellgov.com](https://register.roswellgov.com) and sign in to your Amilia account.
- **Browse Programs** – Search for your desired camps or programs using the catalog.
- **Select a Program** – Click on a program to view details.
- **Add to Wishlist** – Click the heart icon in the upper right corner
- **View Your Wishlist** – Access your saved programs anytime by clicking the Wishlist icon in your account.

## Refund & Class Change Requests

### CAMP REFUNDS

- A minimum \$10 handling fee will be charged on all refund requests.
- Refund requests submitted more than 30 days before the start date of camp will receive a 100% refund minus the \$10 handling fee. Refund requests submitted 14- 29 days before the start date of the camp will receive a 50% refund minus \$10 handling fee.
- Camp transfer requests submitted more than 30 days before the start of the program are dependent on program availability. Camp transfers requested less than 30 days before the start of the camp will not be accepted.
- Refund/transfer requests submitted 13 days or less before the start date will not receive a refund or transfer.

### MEDICAL ISSUES

- A letter from a licensed physician setting forth the participant's physical reason for being unable to participate in the program or camp must accompany any refund request based on medical issues. Participants with medical requests meeting this criterion will receive an account credit for the time the participant is unable to participate in the program or camp.
- For more information on our refund policy, or to submit a request, please visit **register.roswellgov.com**.

## Fees

### PROCESSING FEES

Payment Notice: Please note: a 3% processing fee will be applied to all electronic payments online or in person including credit card, debit card, online bank drafts (e-check).

In the case of installment billing, the initial payment will include a 3% fee for the total amount.

This fee is necessary to cover the costs associated with processing transactions and to ensure we can continue providing high-quality services to our community.

## **EXTENDED CAMP OPTIONS**

***Extended Camp options will be available for selection at checkout when registering for a qualifying camp. The below options are available at both East Roswell Park and Roswell Area Park. Please refer to the camp grids for qualifying camps.***

### **Early Drop Off**

Drop off your campers between 7:30 a.m. and 9:00 a.m., they will be escorted to their camp at 9:00 a.m. For rising K-5th grade for the school year 2025-2026. No age exceptions will be made.

### **Stay and Play**

Stay N Play Camp is designed to provide mid-day care after your morning specialty camp. Campers will be escorted from their morning camp and combined with day camp groups. Pick-up will be held in the carpool lane with regular day camp. Registration in an eligible camp is required. No exceptions will be made.

### **Late Pick Up**

Stay late with us after your fun day at camp! You may pick your child up anytime during the two hours. Campers must be picked up before 6PM, after 6PM there is a \$1 per minute charge. This camp is for rising K- 5th graders only, no exceptions will be made. Must register for the week; daily registration will not be accepted.

### **Dance Break Lunch Hour**

Dance Break Lunch Hour is available for campers attending camps at the Physical Activity Center only, providing an opportunity to extend their day for lunch or transition to an afternoon camp at the Physical Activity Center. Campers must be registered for a morning camp to enroll in the lunch hour. Campers enrolled in Dance Break Lunch Hour are not eligible for Stay and Play. Each camper should bring a snack and a securely closed drink, with all belongings clearly labeled.

Curbside checkout is not available. If a camper is leaving at 1:00 PM, a parent or guardian must walk into the building to check out at Performing Arts Studio 2. Campers continuing to an afternoon camp will be escorted by staff.

## **DAY CAMP**

### **Full Day Camp: East Roswell Park**

A day of arts and crafts, organized outdoor games, indoor games, and special guests. Each week is themed differently. All campers will be divided by age groups. Campers will make a trip to the library once a week (schedule permitting) and to the sprayground. All campers must be potty-trained. A majority of the camp will be held outdoors, weather permitting. No age exceptions will be made. You will receive a parent packet the week before your camp date with more information.

### **Full Day Camp: Roswell Area Park**

A day of arts and crafts, organized outdoor games, indoor games, and special guests. Each week is themed differently. All campers will be divided by age groups. Campers will make go to the pool every day. All campers must be potty-trained. A majority of the camp will be held outdoors, weather permitting. No age exceptions will be made. You will receive a parent packet the week before your camp date with more information.

### **Half Day Camp: Crabapple Center**

Half Day Camp is designed to provide an afternoon camp option. Campers will participate in different games and activities both indoors and outdoors, including arts & crafts, gym and pool time. A carpool style for drop off and pick up will be used daily. All campers must be potty-trained. No age exceptions will be made.

## CREATIVE ARTS CAMPS

### **ArtsCool**

Create and get messy with ArtsCool Art. We study artists and different techniques each day with time for the children to create their own original pieces. They will use paints, watercolors, oil pastels, colored pencils, markers, chalk and more.

A \$20 materials fee is due to the instructor on the first day of class.

### **Birdhouse Blitz: 2-Day Woodworking Workshop**

Dive into the art of creating one-of-a-kind birdhouses in this hands-on woodworking camp! Guided by expert artisans from the Woodworking Guild of Georgia, campers will learn essential woodworking skills and use hand tools to assemble their own birdhouse from pre-cut cedar planks.

While a suggested model will be provided, campers will have the freedom to add personal touches and make their creations uniquely their own. By the end of the camp, participants will take home a fully crafted birdhouse, ready for use! No experience is needed; just bring your creativity, and we'll provide the tools, materials, and guidance for a fun woodworking experience.

### **Birdhouse Bonanza: Pottery & Woodworking Camp**

Dive into the art of creating one-of-a-kind birdhouses in this hands-on camp blending clay and woodworking!

On days 1 and 2, campers will shape and sculpt their own birdhouses from clay, learning pottery techniques to create both beautiful and functional designs. On days 3 and 4, they'll switch gears and, with expert guidance from the Woodworking Guild of Georgia, craft a second birdhouse from pre-cut cedar using hand tools.

On the final day, campers will glaze and finish their birdhouses. Wooden birdhouses will be ready to take home immediately, while clay projects will be ready for pickup at a later date. No experience needed! All tools and materials are provided.

### **Clay & Nature**

Campers will experience using clay to create several projects. We will be using nature as our inspiration! We will use handbuilding techniques to create functional and non-functional projects.

### **Clay and Climb**

Get ready for a one-of-a-kind week of creativity and adventure! This camp combines the art of wheel-thrown pottery with the exciting sport of recreational tree climbing.

For the first three days, campers will shape clay into sculptural and functional pieces on the potter's wheel. While their pottery fires in the kiln, they'll be introduced to tree climbing by professional instructors from Tree for All, LLC an unforgettable outdoor experience! On the final day, campers will return to finish their pottery masterpieces. All climbing gear provided.

## CREATIVE ARTS CAMPS

### **Clay Portraits and Faces**

In this camp, you'll use sculpting techniques to create faces and portraits out of clay.

### **Collage Crew**

Students create and collect images and materials to produce artwork that is uniquely theirs. Cutting, pasting, drawing, and painting techniques will all be utilized in this class.

### **Create a Fairy Garden**

In this workshop, young artists will learn beginner handbuilding and glazing techniques while creating a ceramic fairy house and other fairy garden accessories. On the last day of class, we will combine our pieces with natural elements such as moss, pebbles and more to create our fairy garden!

### **Creating in 3D Sculpture**

Campers will learn various sculpture techniques while creating 3 dimensional works in clay, paper mache and more. Camp is held at the Art Center at East Roswell Park.

### **Easy Intro to Glass Fusing 2 Weeks**

Get a no-stress introduction to fused glass. Over the course of 2 weeks, you'll be guided to create fun and easy projects that teach you some fundamentals of fused glass. Decorative and fun birds, night lights, or functional items will be some of the things you can create!

### **Eric Carle Clay**

In this camp, we'll get our inspiration from wonderful stories by Eric Carle! We will use handbuilding techniques to produce our creations. Works will be glazed and fired.

### **Exploratory Fashion Design Art**

Campers will work in groups to make fashion art out of unconventional materials such as paper, tape, cups, balloons, strings and more. Campers will explore surface design with fabric dyeing, painting, stamping, and distressing. This camp will focus on creating fun funky designs that are outside the standard idea of fashion. Campers will learn how to operate a sewing machine and will construct items with the machine, adhesives, and hand sewing.

### **Get Crafty!**

Campers will get crafty and create a variety of works of art using paper, clay and paint! Camp is held at the Art Center at East Roswell Park.

### **Glass Art: Fusing and Mosaics**

Create works of art with glass using fusing and mosaic techniques!

### **Make a Skirt Sewing Techniques**

Campers will learn how to thread and operate a sewing machine while learning basic sewing techniques. Campers will make a straight or gathered skirt, encase elastic to make a waistband, use straight stitching and hemming, and create a bonus matching accessory such as a hair scrunchie or headband.

### **Maker Mania (2 Week Camp)**

Experiment! Explore! Invent and create! Join us as we envelop ourselves in a wacky and whimsical art world! A mixed media camp focusing on creation and invention.

### **Megas & Minis Multimedia**

Campers will explore different mediums such as clay, paper, paint and fabric to create comically large and adorable mini versions of their favorite things! Camp is held at the Art Center at East Roswell Park.

## CREATIVE ARTS CAMPS

### Mini Masters (2 Week Camp)

A variety of materials and techniques are used in this fun mixed media class! Children will learn about artists and preschool concepts through art projects that enhance their creative learning experience.

### Pop Star by Fashion Workshop

Campers will be divided into groups and given a popular song melody to write new lyrics to create unique songs. They will then create their own dance choreography. At the completion, campers will participate in a mock music video where they will create and direct their own music video. This is a great camp to strengthen speech, confidence and writing skills. No singing or previous musical experience is required for this camp.

### Pottery: Wheel and Sculpture

This engaging summer camp is perfect for aspiring young artists eager to explore the world of pottery. Participants will receive hands-on instruction in wheel-throwing techniques, learning to shape clay into functional and decorative pieces. Alongside their time on the wheel, campers will explore hand-building methods, enhancing their creative expression through sculptural projects. They'll also experiment with glazing techniques to add unique finishes to their work. By the end of the camp, participants will have developed both technical skills and artistic confidence, with a deeper understanding of clay as both a functional and sculptural medium. Ideal for all skill levels.

### Resin Creations

Use resin, embeds, pigments and dyes to create a collection of different resin projects such as jewelry, keychains, geodes, and sculptures.

### Sand Art

Experiment with sand to create a variety of 2-d and 3-d projects!

### Sew IT ALL by Fashion Workshop

Sewing is a great way to learn and utilize to make some of the coolest things! Our camp will focus on learning the fundamentals of sewing by machine. Students will create 4-6 guided sewing projects during the week. We may create plush toys, scrunchies, tote bags, headbands, pillows and more. Skills learned include hemming, top stitching, encasing fabric and mastering straight seams. All supplies included!

### Sew Treats

Campers learn how to hand sew while creating yummy pillows. Create a plush strawberry, stuffed cake slice, and pineapple stuffy. This camp introduces students to basic sewing techniques such as the overcast, running stitch, and gathering technique.

### Slab Built Ceramics

In this camp, students will create a variety of hand built items using slabs! We will create both 2-d and 3-d items.

### Still Life Acrylic Painting

Beginners will benefit from Craig's knowledgeable and steady guidance. Students will paint from a still life or carefully selected photograph in acrylic paint. Basic techniques, composition and color mixing are emphasized. Age on date of class.

## CREATIVE ARTS CAMPS

### **STREM HQ: Adobe Photoshop**

Master the art of digital design with Adobe Photoshop! This course equips students with essential skills in photo editing, graphic creation, and advanced design techniques. Unleash your creativity and bring your visions to life!

### **STREM HQ: Fashion Tech**

Explore the intersection of fashion and technology! This class introduces students to innovative tools and techniques, including digital fashion design, wearable tech, and sustainable practices, inspiring creativity and modern design skills. Perfect for aspiring designers ages 11-14 years old.

### **STREM HQ: Learn to Make Short Animated Videos**

Learn the basics of creating short animated videos in this fun and engaging class designed for 7 to 10 year-olds. Students will explore animation techniques, character design, and storytelling, using easy-to-learn tools to bring their ideas to life. Perfect for young creators interested in animation!

### **STREM HQ: Photography**

Capture the world through your lens! This course teaches students the fundamentals of photography, including composition, lighting, and editing techniques, while exploring creative storytelling through images.

### **Young Artists' Studio**

Using many avenues of inspiration, students will explore a variety of painting and drawing techniques using acrylics, watercolors, pencils, pastel, and more. We will use drawing and painting techniques with acrylic, watercolor, pastel, colored pencils and more.

## **GYMNASTICS CAMPS**

### **Boys Gymnastics**

This camp is designed for boys of all ability levels and will include work on the floor exercise, pommel horse, rings, vault, parallel bars, high bar, and trampoline. The boys will be tested and placed in groups of similar ability levels on the first day of camp. Campers should bring a snack each day.

### **Girls Gymnastics**

This camp is designed for all levels of ability and the girls will be grouped by age and skill level on the first day of camp. Activities will include work on bars, beam, floor, vault, and trampoline. Ages 5-12. Age on 9/1/25.

### **Preschool Gymnastics**

Children will participate in a variety of activities including gymnastics, trampoline, story time, snack time, crafts, games and age-appropriate videos. Age 2, age on date of class. Age 3-4 age on 9/1/25.

## PERFORMING ARTS CAMPS

### Dance:

**Barbie Disco Party**  
**Descendants**  
**Encanto**  
**JoJo Siwa Party**  
**Poppin' Popstars Party**  
**Shake It off Taylor Swift Party**  
**Sing!**  
**Wacky Wonderland Party**  
**Wicked**

Get ready to dance your way through the best summer ever! Students will enjoy a fun themed week of jazz/pop-hop style dance while working on skills, stretching, conditioning and games to develop rhythm, flexibility, coordination and self-confidence. Bring a snack & drink each day. There will be a short closing showcase at the end of the camp. *Please double check to ensure registering for the correct location.*

### Kinder Dance Camp

Campers are immersed in creative dance, crafts and musical theatre daily. We pride ourselves on offering high quality training to young minds that enhance self-esteem, social skills, cultural knowledge, performance art and exercise. Great for 1st time dancers or those that have taken before!

### Mini Musical Theatre:

**Finding Nemo**  
**Frozen**  
**The Lion King**  
**The Little Mermaid**  
**The Wizard of Oz**

Students will experience the world of musical theatre where they will build on the fundamental knowledge of acting, singing, and dancing. They will memorize scripts, learn song and dance routines, play acting games and hold a performance at the end of the week. Bring a snack and drink each day. Must be age 6-8 as of 6/1/25 and able to read.

### Musical Theatre:

**Beauty and the Beast**  
**High School Musical**  
**Legally Blonde**  
**The Little Mermaid**  
**The Greatest Showman**  
**Wicked**

Students will experience the world of musical theatre where they will build on the fundamental knowledge of acting, singing, and dancing. They will memorize scripts, learn song and dance routines and hold a performance at the end of the week. Bring lunch and drink each day. Age on 6/1/25.

### Acting & Writing

A popular camp for actors and actresses alike! We will play acting games, write our own script, build our own props and create our own costumes. A performance will be held on the last day of camp. Bring a snack and drink each day.

## **SPECIALTY CAMPS**

### **3D Engineering Design with Autodesk at CMOA**

Explore the world of 3D engineering design as you create and model innovative projects using cutting-edge software. Develop skills in precision, creativity, and problem-solving to bring your ideas to life!

### **Adventure Camp**

This camp is action-packed where every week is a new adventure! Camp will travel daily to explore exciting destinations such as bowling, golfing, skating, malls, museums, parks, movie theaters, and amusement parks. Each trip is carefully selected to spark curiosity and create lasting memories. Please refer to the published calendar for more information regarding daily trips. For teens age 11- 13 years old. No age exceptions will be made. Detailed camp information, arrival times, and waiver information will be emailed the week prior to the start of camp.

### **Animation Nation at CMOA**

Bring your imagination to life with Animation Nation! Learn to create your own 2D short animated movies, from designing characters to crafting captivating stories.

### **Aquatics Swim and Dive Camp**

Campers will learn to advance their swim and dive techniques and stamina through games, drills, and practice. This camp is a great way for campers to advance their swim level. Camp will meet Monday - Wednesday and Friday.

### **Art Reimagined at CMOA**

Bring your creativity to life with Graphic Design and AI Synergy using Adobe Photoshop! Learn essential tools and techniques to create stunning visuals, from digital art to photo editing.

### **Artificial Intelligence and Machine with Python at CMOA**

Discover the power of Artificial Intelligence and Machine Learning with Python! Learn to create smart algorithms and analyze data to build AI-driven solutions in this hands-on course.

### **Battle Bots Arena Challenge at CMOA**

Step into the thrilling world of robotics with the Battle Bots Arena Challenge! Build and program your own robot to compete in an exciting arena, testing its strength and agility against others. Hone your engineering and coding skills as you strategize, design, and battle for victory!

### **Battle Bots at CMOA**

Gear up for the ultimate robotic showdown in Sumo Battle! Build and program your robot to push opponents out of the ring in this thrilling test of strategy and engineering.

### **Boards and Paddles on the Water**

It is time for an adventure and traverse the Chattahoochee River with boards and paddles! Nantahala Outdoor Center Guides will teach the fundamentals of the exciting sport of paddle boarding, kayaking, and canoeing. Ideal for beginners and young adventure enthusiasts.

### **Build and Code Self Driving Vehicles at CMOA**

Create and code your own self-driving vehicles in this exciting hands-on workshop! Explore the technology of autonomous systems and build robots that think and move independently.

## SPECIALTY CAMPS

### Challenge Island: Extreme STEAM Sports

An indoor camp with outdoor spirit, this sporty adventure scores big with every All Star Kid! You and your STEAM Team will have a ball learning the science behind the world's most popular sports while engineering your way through stadiums full of sporting events: From football to NASCAR; from baseball to bobsledding from tennis to basketball to the Olympic Games. A winner every time, this sporty camp is a Challenge Island fan favorite! Camp is held at the Crabapple Center.

### Challenge Island: Island Tube Fever

Tune into imagination and creativity at Challenge Island's Island Tube Camp! You and your STEAM Team will build your very own studio and take part in a whole haul of super tuber activities: From slime to squishes to science experiments; from taste tests to mystery wheels to Secret Island Surprise Balls! One of our most liked camps, this Kids' Choice Challenge Island adventure gets thumbs up all around!

### Challenge Island: Islandmon STEAM Quest

This camp is inspired by the ever popular Pokémon. Get ready for a wild, mini-monstrous adventure like no other in your quest to catch, collect, and train the island's magical mini-monsters. This camp challenges campers to apply engineering principles as they visit gyms, earn badges, go on treasure hunts, and even engage in a battle or two, guided by their ally STEAMaroo - the clever and friendly kangaroo islandmon. Kids will combine problem-solving and creativity with hands-on science at every turn to become true STEAM champions!

### Challenge Island: Slimetopia 2

Embark on a globetrotting slime experiment! Each day, campers will explore chemistry concepts like polymers, viscosity, and non-Newtonian fluids as they design their own Slimeliner Jets and travel to different slimy continents. Campers craft Sahara sand slime -sandy, gritty textured; Taiwanese boba tea slime - colorful, bubble filled treat; Italian pizza slime - squishy, cheesy fun, Pacific ring of fire slime - volcanic-themed with explosive colors and many many more! This camp delivers hands-on chemistry and physics exploration, with a playful twist inspired by cultures around the world. Science has never been this squishy, stretchy, or fun!

### Challenge Island: Slimetopia 3

Our Challenge Island STEAM Teams have been chosen to be slime sous chefs on the S.S. Slimetopia cruise ship where they will stir up the most delicious-looking (non-tasting!) slime recipes on the Seven Seas! From Ramen Noodle Shake, Rattle, and Sushi Roll Day to Banana Split Slime on Tutti Fruity Day to Flamin Hot Cheeto Slime on Say Cheese Day, Slimetopia 3 is a deliciously squishy, squashy. Ooey, gooey blast!

### Challenge Island: Slimetopia 4

Dive into the slimy side of science with this storybook-inspired STEM adventure! Your child will embark on a journey through the pages of their favorite stories by creating a variety of one-of-a-kind slime concoctions inspired by the characters and worlds they love. Campers complete storybook-themed engineering challenges, learn about the science of slime, and mix up new slime classics like Alice's Unbirthday Cake Slime, Charlie's Everlasting Gobstopper, Narnia's Turkish Delight Slime and Percy's Blue Cookie slime. This camp is a perfect blend of science, storytelling, and hands-on fun!

### Challenge Island: STEAM Across the Universe

## SPECIALTY CAMPS

3...2...1 Blastoff! Our STEAM Teams will create their own Mission Control Station and soar through the universe. They'll learn the spectacular science of space while taking on a galaxy of cosmically cool challenges - from Rocket Launch Day to Moon Day to Intergalactic Day to Alien Day. Don't miss out on this out of this world Challenge Island camp! Camp is held at the Crabapple Center.

### **Challenge Island: World Cruise**

Our STEAM Teams set sail for imagination and adventure as they design a cruise ship and embark on a voyage around the globe. They'll engineer their way through the world's most popular ports: From the Alaskan Glaciers to Ancient Greece to the Canals of Venice to the Galapagos Islands. See you on deck for our Sail Away Party and STEAMtastic High Seas Voyage!

### **Cheerleading**

Learn cheers, chants, and dances from Varsity Cheerleaders! We will teach spirit, motions and jumps with a short performance for family and friends on the last day of camp. No age exceptions will be made.

### **Coding with Circuits Jr. at CMOA**

Unlock the world of technology with Coding with Circuits Jr.! Learn block coding and integrate various technologies using Micro:Bit to create fun, interactive projects.

### **Content creation for YouTube at CMOA**

Take your YouTube content to the next level with Video Editing Mastery using Adobe! Learn the essential skills to edit, enhance, and perfect your videos with powerful Adobe tools. From basic editing to advanced techniques, this course will help you create polished, engaging videos for your channel.

### **Court Camp**

Mock Trial Court Camp is for campers ages 10 - 14 years old. This camp provides a fun, yet challenging environment. Campers examine basic legal concepts, terminology, and the American court system all while focusing on a fictional case. They will become attorneys, witnesses, jury members and more! Campers will prepare for a mock trial to be presented to family and friends on the last day of camp.

### **Creating Intelligent Apps at CMOA**

Design intelligent apps with AI-powered tools using MIT App Inventor! Explore the basics of app development and integrate AI to make your creations smarter and more interactive.

### **Creative Coding and Circuits at CMOA**

Unleash your creativity with Creative Coding & Circuits using MicroBIts! Combine coding and circuit building to design interactive and imaginative projects. Learn valuable skills in problem -solving and innovation while bringing your ideas to life.

### **Culinary Camp: Chefs Club**

Prepare to amaze your taste buds. We will create dishes that you share with family and friends. Recipes will be provided. There is a \$25 lab fee due on the first day of camp.

### **Culinary Camp: Culinary Academy**

In this 5-day Culinary Academy, students are introduced, hands-on, to all aspects of the kitchen. They'll learn about kitchen equipment, safety, knife skills, and hygiene. Then the real fun begins as each camper cooks their own foods like pizza, tacos, and French toast. Recipes will be provided. There is a \$25 lab fee due on the first day of camp.

### **Culinary Camp: Kitchen Big & Little**

## SPECIALTY CAMPS

Kids become the executive chef! Kids will be divided into groups, watch videos and then get to instruct the class on how to make the dish. Recipes will be provided. There is a \$25 lab fee due on the first day of camp.

### **Culinary Camp: Knives & Forks**

Join Chef Darwin in the kitchen as we discover great tastes through cooking, learn to combine flavors as we create tasty dishes to share with family and friends. Recipes will be provided. There is a \$25 lab fee due on the first day of camp.

### **Culinary Camp: Restaurateur**

Assist in developing a restaurant. From initial design to menu planning, students will learn the basics of a restaurant. On the last day, parents will be invited for a dine-in experience. Recipes will be provided. There is a \$25 lab fee due on the first day of camp.

### **Culinary Camp: Spectacular Bakes**

Popovers to pizza and everything in-between. Savory and sweet palettes will be satisfied this week. Campers will learn baking basics and kitchen safety. Recipes will be provided. There is a \$25 lab fee due on the first day of camp.

### **Culinary Camp: Summer Rewind**

Let's revisit all of our favorite recipes, as we out the entire summer on rewind. Whether you camp to one or more camps this summer, or this is your first week, ALL campers will enjoy this tasty wrap up! Recipes will be provided. There is a \$25 lab fee due on the first day of camp.

### **Culinary Camp: What Kids Eat in Other Countries**

Take a trip around the globe, no passport needed, and join us for this flavorful camp. Campers will create rich and delicious meals that kids in different countries eat while exploring food history, customs, and nutrition. Recipes will be provided. There is a \$25 lab fee due on the first day of camp.

### **Disc Golf**

A great opportunity for kids to learn the exciting game of disc golf or returning campers to improve their skills. Each camper will receive a starter set to get them going on course at East Roswell Park. Camp will meet in the pavilion by the start of the course each day. Register for the Ultimate Frisbee 2 Day camp to make an amazing 5 day camp experience.

### **Encryption and Cybersecurity at CMOA**

Master the essentials of Encryption and Cybersecurity! Discover how encryption works and learn key strategies to safeguard information and protect systems from cyber threats.

### **Fort Building**

Spend a week building the fort of your dreams! Campers will learn skills needed to build something and participate in team building activities! On the last night of camp, we'll have a cookout and evening celebration. Individual supervision will be given to every group to ensure the safety of each structure. In the event of rain, games and activities will be held inside the gymnasium. Campers must bring their own hammer. Camp hours are Monday - Thursday 9:00am - 12:00pm AND Friday night 5:00pm - 10:00pm. Ages 8 - 12. No age exceptions will be made.

### **From Pixels to Prints at CMOA**

## SPECIALTY CAMPS

Learn the fundamentals of 3D printing and character design with Blender in this hands-on course! Explore the process of creating detailed 3D models, from conceptualization to printing. Master the techniques to design and print your own unique characters and bring your creative ideas to life.

### **Game Builders at CMOA**

Learn Python programming while designing your own exciting games! For ages 11-14, this course combines creativity and coding to build interactive, fun projects.

### **Game Design with Scratch 3.0 at CMOA**

Create your own interactive worlds with Game Design using Scratch 3.0! Learn the basics of coding while designing fun and engaging games using Scratch visual programming platform.

### **Interactive Adventures with JavaScript Coding at CMOA**

Join the JavaScript Coding-Game Design Challenge and create your own interactive games from scratch! Learn key coding concepts while unleashing your creativity in this exciting hands-on experience.

### **Junior Adventures with Artificial Intelligence**

Embark on a fun-filled journey with Junior Adventures in Artificial Intelligence! Explore the basics of AI through interactive games and projects, and learn how machines think and solve problems.

### **Lego Fortnite at CMOA**

Construct your favorite Fortnite characters and scenes using Lego bricks, then bring them to life with exciting Coding challenges. Unleash your creativity and battle it out in your very own Lego-powered Fortnite adventure.

### **Magic Camp**

Atlanta magician Jeffrey Williams offers a weeklong summer magic camp that teaches kids the art of performing magic on stage and close-up. Students learn many magic tricks and illusions both from the classic days of magic to more modern street magic. Classes teach kids social skills such as how to perform in front of their peers. They not only learn amazing feats of magic but gain the confidence needed to present a show in front of a large audience. Students make a special Magic Box; in which they store the magic props handed out each day. A special MAGIC SHOW is offered on Friday, the last day of class, which their parents and friends are invited to attend, so the kids can show off the astounding feats of magic they have learned in this wonderful week-long class.

### **mBot Robotics at CMOA**

Coding and creativity in motion. Explore the exciting world of coding and robotics by programming mBot to complete challenges and solve problems.

### **Minecraft Architecture/Civil Engineer at CMOA**

Discover the world of design and construction with Minecraft Architecture/Civil Engineering! Build impressive structures, learn engineering principles, and unleash your creativity while exploring the basics of architecture in a fun, virtual environment.

### **Minecraft Chemistry Labs at CMOA**

Explore the fascinating world of science with Minecraft Chemistry Labs! Learn to create compounds, experiment with chemical reactions, and understand real-world chemistry concepts, all within the interactive Minecraft universe. Spark curiosity and creativity as you build and explore like a true scientist!

### **Play-Well LEGO Camp: Adventures in STEM**

## SPECIALTY CAMPS

Let your imagination run wild with tens of thousands of LEGO parts! Build engineer-designed projects and use special pieces to create your own unique designs! Projects are rotated seasonally to ensure that both new and returning students can explore the endless creative possibilities of the LEGO building system.

### **Play-Well LEGO Camp: Machine Mayhem**

Design your custom LEGO creation! Mix and match chassis designs using wheels, treads, or walking legs and then combine these with tools like drills, hammers, and battering rams. You will refine your masterpiece by sparring with friends and overcoming obstacles all while applying real-world engineering and physics concepts to help you bash and crash your way to victory!

### **Play-Well LEGO Camp: Pokémon Engineering**

Calling all Pokémon trainers! With the Pokémon Championship approaching, join our enthusiastic Play-Well Instructors as we build and catch our favorite Pokémon, rescue Pikachu from Team Rocket, and take a ride on the S.S. Anne to uncover rare and mystic Pokémon. Battle to see who will hold the title of Pokémon Master. Come along on our journey to catch 'em all!

### **Play-Well LEGO Camp: Pokémon Master**

LEGO Master, I choose you! In the race to be crowned the Ultimate Pokémon Champion, we need your help! Learn to build your favorite Pokémon, level up by teaching them special moves, evolve them into more powerful versions, and come face to face with the current champion in an epic battle for the title. Learn from our Play-Well Pokémon Masters so you can make it to the top!

### **Play-Well LEGO Camp: STEM Explorations**

Master your engineering skills with Play-Well TEKnologies and tens of thousands of LEGO parts! Apply real-world concepts in physics, engineering, and architecture through engineer-designed projects. Projects are rotated seasonally to ensure that even returning students get a new experience, so join us to design and build as never before and explore your craziest ideas.

### **Play-Well LEGO Camp: Wildlife Wonders**

Design and build your way through the animal kingdom, from sea to safari, using tens of thousands of LEGO parts. With the guidance of an experienced Play-Well instructor, you'll recreate diverse habitats while crafting animals in their natural surroundings. Your animal adventure awaits!

### **Pump Track Camp**

Learn skills and techniques that will have you riding our pump tracks in style. Participants learn the importance of bike safety and maintenance as well as how to navigate turns and jumps. Campers must wear closed-toed shoes and bring their bike and helmet each day. Camp is Wednesday - Friday.

### **Roblox Business Tycoon at CMOA**

Step into the world of entrepreneurship with Roblox Business Tycoon! Build, manage and grow your own virtual business empire while learning key concepts of strategy and business management.

### **Robot Battles at CMOA**

Enter the thrilling world of Robot Battles! Design, build, and program your own robot to compete in exciting head-to-head challenges.

### **Robot NASCAR Races at CMOA**

## **SPECIALTY CAMPS**

Gear up for the exciting Robot NASCAR Races! Design, build, and program your own robot to race at top speeds, competing for the fastest time in this high-octane challenge!

### **Robotics at CMOA**

Dive into Robotics: Code, Build, and Challenge to design, program, and bring robots to life! Tackle exciting tasks that combine coding and engineering for a fun, hands-on experience.

### **Robots and Sensors at CMOA**

Dive into the world of robotics with Robots & Sensors; Code, Build, and Compete! Program robots, integrate sensors, and test your skills in exciting challenges and competitions.

### **STROKES**

Campers will participate in pickleball, art and swimming each day. Focus of the camp each day will be the STROKES of pickleball, art and swimming. Campers should bring a bag lunch, bathing suit and towel EVERYDAY!

### **Ultimate Frisbee Camp**

Ultimate Frisbee is a non-contact, action packed sport played with a flying disc. The professional Frisbee team Atlanta Hustle and the City of Roswell have come together for this amazing fast-paced camp. This camp can be added-on to Disc Golf camp for a full 5 day experience

### **Ultimate Frisbee: 3 Day**

Ultimate Frisbee is a non-contact, action packed sport played with a flying disc. The professional Frisbee team Atlanta Hustle and the City of Roswell have come together for this amazing fast-paced camp.

Join The Ultimate Lego Adventure Camp, where kids can unleash their creativity through building and designing with Lego bricks! Explore exciting challenges, create imaginative structures, and work together to complete fun, hands-on projects. This camp is the perfect opportunity for young builders to have fun, learn teamwork, and bring their Lego creations to life!

### **Visual 3D Coding with Kodu at CMOA**

Unlock your creativity with Visual 3D Coding with Kodu! Learn to design and code interactive 3D games, bringing your ideas to life in a dynamic virtual world.

### **Ultimate Lego Adventure at CMOA**

## TEAM SPORTS CAMPS

### Advanced Baseball

This camp is recommended for players with at least 2-3 years of baseball experience. Local professional instructors with former and current professional experience will provide instruction to develop the more advanced baseball techniques and skills.

**Advanced Basketball** This experience is designed for the more competitive recreational player with previous basketball experience who is seeking a jump start of their game. The goal of this camp is to bring you to the next level by drilling home more complex fundamentals and learning the game within the concept of a team.

### Advanced Skills Soccer

Designed for competitive level players. Small-sided games and individual ball skills will be the focus to provide a base for technical development. All aspects of the game will be covered throughout the week.

### Beach Volleyball

Dive into the world of beach volleyball with our exciting half-day beach volleyball camp at Don White Memorial Park in Roswell, GA! Perfect for beginners and intermediate players alike, this camp offers a dynamic blend of skill development, gameplay, and fun in the sun!

### Boys Basketball

This gender specific camp allows boys to learn with school friends and utilize team building exercises associated with basketball. 5 on 5 games and league play dominate with 3 on 3 breakdowns reinforcing good fundamentals and skill development. Each participant will receive quality coaching and a fun experience. Hembree Park Recreation Center will be the location for this camp.

### F.A.S.T. Camp

Flexibility, Agility and Strength Training Camp. Reach your athletic potential. All year athletes spend their time playing their sport and trying to be the best at it. Trying to hone their skills to master the Craft. It is time to focus on the machine that really allows them to play the sport they love, their BODY. The FAST Camp will focus on the athlete's flexibility, agility and strength.

While at FAST Camp, athletes will be introduced to the sport of Gymnastics for the last hour of each day. Our Gymnastics Instructors will work with our athletes to further their athletic abilities. Our athletes will get the chance to train on the uneven bars, balance beam, pommel horse, vault, parallel bars and high bar.

### Fast Pitch Softball

The program is designed to teach the game of fast-pitch softball by highly qualified instructors. Participants will advance their skills through hitting, fielding and pitching drills. Participants should bring their own bat, glove, fielders mask, and helmet.

### Football by Takeoff Performance

Former college and high school players from Takeoff Performance will deliver a fun-filled, interactive football camp that focuses on developing the athlete's skills while teaching life lessons around character, integrity and teamwork. Whether your child is involved in flag football or contact football, this camp will focus on taking a child's skills to the next level regardless of age or experience.

## TEAM SPORTS CAMPS

### **Football Positional Camp by Takeoff Performance**

Former college and high school players from Takeoff Performance will deliver a fun-filled, interactive football camp that focuses on developing the athlete's skills while teaching life lessons around character, integrity and teamwork. Whether your child is involved in flag football or contact football, this camp will focus on taking a child's skills to the next level regardless of age or experience. Athletes will learn about all positions in the game of football and experience how to train for that position, as well as get to play that position.

### **Fundamentals Basketball**

The fundamentals camp is a basic introductory level camp designed for the player who is interested in learning more about the game they enjoy at a recreational level. Skill breakdowns and teaching contests compile the bulk of the day's experience. Each participant will receive quality coaching and a fun experience.

### **Girls Basketball**

This gender specific camp allows girls to learn with school friends and utilize team building exercises associated with basketball. 5 on 5 games and league play dominate with 3 on 3 breakdowns reinforcing good fundamentals and skill development.

### **Half Day Multi-Sport**

Participants will engage in various games and sports throughout the week. It will be a fun atmosphere to participate in different activities every day. Age on the first day of camp.

### **Lacrosse Camp**

Designed for the Beginner to Intermediate Lacrosse Player. Throwing, catching and footwork are a major focus but we didn't leave out the FUN! At the end of the week the campers should have learned or developed a few Lacrosse skills, met a few new friends and had some fun along the way.

All participants are required to provide their own equipment for the camp. Boys - helmet, gloves, stick, shoulder pads, elbow pads, and mouth guard. Girls - stick, goggles, and mouth guard. Participants should bring plenty of water and are encouraged to apply sunscreen each day.

### **Little Hoopsters**

This curriculum is tailored to the learning of our youngest players in an environment which is conducive specifically for them without the older children. Daily breakdown games, relays and other child development games which these kids play are executed while using a basketball. Each participant will receive quality coaching and a fun experience.

### **Little Sluggers Baseball**

Highly trained coaches and instructors will provide the very basics of baseball to this younger group of players. The purpose of this camp is for players to have fun and learn within a baseball atmosphere.

### **Multi-Sport**

This camp will teach the basic fundamentals, and game play, of multiple sports. Daily breakdown of each sport will include games and other development skills that will include elements of each sport.

## TEAM SPORTS CAMPS

### **Pitcher Catcher Camp**

Professional instructors will be teaching this Pitcher/Catcher Camp which is designed for players entering the 9-10 Year Old League and want to learn pitching and catching fundamentals and develop proper technique. The instruction will also help develop players that are already in the 9-10 or 11-12 Year Old Leagues that want to continue to develop proper skills as they get ready for the Fall Season. Several drills, stations, and games will be used to teach the players during this week-long camp.

### **Recreational Baseball**

Highly trained coaches will emphasize fundamental fielding skills and proper hitting techniques through drills and contests during this week-long camp. Daily scrimmage games will provide participants the opportunity to learn the correct plays in game situations.

### **Recreational Soccer**

Players will have fun while developing and refining individual skills, techniques and playing in games. Players will be divided up by age and ability level once the camp begins. Ages 5-12 on the first day of camp.

### **Recreational Soccer Pre-Season**

Run by Roswell Santos Coaches, this camp will focus on individual soccer skills and techniques as well as game situations through small-sided games. Ages 5-12 on the first day of camp.

### **Rugby Summer**

Rugby Summer Camp is open to new players and advanced players looking to build on their skills. Ball handling skills, kicking, game play, working with teams, learning the finer rules, and group touch scrimmages daily. There will be no tackling people however; kids will hit pads and dummies. Drills will be a combination of ball-handling skills, athletic drills, and staged play to teach the sport.

### **Speed, Agility, and Conditioning**

This camp is designed to introduce Performance Training specifically geared for athletes who want to develop and fulfill their athletic potential and increase their personal performance, no matter what the sport. Campers will receive a combination of Speed, Agility, Strength, Power, Flexibility, Balance, and Core Strength training.

### **Summer Recreation Football**

Former professional and college instructors will lend their knowledge on the fundamental skills of football throughout this week-long camp. This camp will teach the basic fundamentals of offensive and defensive position play, special teams, team building skills and sportsmanship. This is a non-contact camp- Campers will NOT be required to wear any padding for this camp, only athletic apparel.
